

Artful Insights

A Corporate Workshop Experience Using the Art of Intuition™ Framework.

Artful Insights is a facilitated creative experience that reveals how your people naturally think, lead, communicate and set goals. Delivered as a group experience with deeply personal outcomes, it's engaging, insightful and completely unlike anything your team has done before.

Leadership Through Creative Insight

Managers & Senior Leaders

Outcomes:

- Leadership awareness
- Decision making
- Confidence
- Emotional intelligence
- Goal clarity
- Understanding your leadership style

Understanding Team Dynamics

Departments & Teams

Outcomes:

- Communication
- Collaboration
- Appreciating different working styles
- Respecting differences
- Better teamwork
- Shared sense of purpose

Personal Performance & Motivation

Conferences & Events

Outcomes:

- Motivation
- Goal setting
- Personal strengths
- Managing change
- Confidence
- Wellbeing

How it works:

- 01 Welcome and framing — warm, light, pressure-free
- 02 Centering exercise — step out of task mode and get into the flow
- 03 Creative activity — watercolour materials provided, no skill required
- 04 Group insights — facilitated discovery of what your artwork reveals
- 05 Personal takeaway — artwork and journal to keep
